

FLAGFOOD®

A FRUITFUL COOPERATION

WHO WE ARE

WE ARE IN MOTION

We are a globally expanding production and trading company specializing in the food industry and are committed to sustainability, flexibility and transparency.

OUR TASK

TAKING A LEADING MARKET POSITION

With our expertise, professionalism and our product diversity and knowledge, we are striving to further expand our market position. We want to constantly strengthen the relationship of trust and sharing with our customers, suppliers and partners.

CUSTOMERS

CUSTOMER SATISFACTION IS OUR TOP PRIORITY

Our customers are our most important partners. We focus on our each of our customer's specific needs and ensure a partnership of reliability, innovation and trust with all.

SUPPLIERS

MAINTAINING A LONG-TERM SUPPLIER RELATIONSHIP

We partner with reliable suppliers who fulfil all our quality requirements for us and our customers and can guarantee the continuity of supply of quality products.

EMPLOYEES

MAINTAINING THE HUMAN TOUCH

One for all and All for One - that's what makes us unique and makes the huge difference. Our employees are the backbone to the success and continuity of our company. We focus and engage responsibly in acting on behalf of the company. A positive attitude and mutual respect and maintaining an open communication is very important to us and is a reflection of our corporate culture.

QUALITY

QUALITY AND PRODUCT SAFETY ARE OUR COMMITMENT

We ensure the quality and safety of products in all areas of the company with competent employees and controlled processes. We are committed to this by consistently implementing and improving our quality and hygiene policy. As an IFS Broker certified company, we meet the high requirements of this globally recognised standard for ensuring food safety. We are committed to the continuous improvement of our quality management system.

SUSTAINABILITY

WE GUARANTEE SOCIAL, ECONOMIC AND ECOLOGICAL SUSTAINABILITY

We only partner with suppliers who stand up and recognize their social responsibility to their employees, pay appropriate and fair salaries, do not allow child labour and ensure adequate safety in the workplace. We ensure environmental sustainability through efficient processing, direct deliveries, bundled transports and storage for purchase on demand. We recognize the Swiss and European legal system and are committed to complying with all legal requirements.

SUCCESS

SUCCESSFULLY GENERATING SUSTAINABILITY

We aim to achieve a result that enables us to maintain our position and achieve ongoing healthy growth. We strive to maintain a lean, focused organization that continuously optimizes and improves our Company cost structure.
